Undergraduate Registration Procedure at The University of Tulsa

High school graduates, or the equivalent, may seek approval to enroll in summer term courses for which they have the prerequisites, without seeking admission to the university as degree seeking students. Summer students who are not continuing University of Tulsa students must submit an application/registration form to the Office of Admission. Transcripts of previous high school or college work are not required, however, advisors may request a transcript to verify prerequisites.

Enrollment in the summer term does not guarantee admission for the fall or spring semesters. Students who plan to continue their studies or pursue a degree at TU should contact the Office of Admission regarding admission requirements and application procedures. Credits earned in the summer as an undergraduate non-degree seeking student may be applied toward a University of Tulsa degree.

To enroll for summer school classes, follow these steps:

1. Complete the application/registration form for the undergraduate summer session available on the website at http://www.utulsa.edu/courses/schedule and submit it to the Office of Admission, by mail or facsimile. [Note: Students who were enrolled at The University of Tulsa for the Spring, 2012 term or are admitted for Fall, 2012 term should see their advisor to enroll in summer school classes and do not need to submit this form.]

2. Upon entrance approval from the Office of Admission, an academic advisor will enroll the student in the classes selected on the submitted form and the student will be billed according to the current tuition rate per semester hour.

Concurrent Enrollment for High School Students

Qualified high school students may apply for admission to take 1000 – 2000 level college courses through the Concurrent Enrollment program. Students should have at least a 3.5 high school grade point average and a 25 Composite on the ACT or 1130 combined Math and Critical Reading scores on the SAT Reasoning Test to be considered for the Concurrent Enrollment program.

Concurrent students must complete a Concurrent Enrollment application form and request that their high school submit an official transcript and School Approval form to the Office of Admission, The University of Tulsa, 800 S. Tucker Dr., Tulsa, OK 74104. (Forms are available from the admission office.) Concurrent applicants are also asked to schedule an individual appointment with an admission counselor by calling 918-631-2307. Acceptance to the program is determined by the admission office based on academic and personal qualifications. Course selections are subject to prerequisites and/or approval from the professor. Accepted students must reapply each semester to continue concurrent enrollment. Tuition for concurrent enrollment is one half the regular tuition rate.

Graduate Admission and Registration

All graduates are admitted and enrolled through the Office of the Graduate Dean in Lorton Hall. Enrollment forms should be obtained from and approved by the Graduate Program Advisor prior to being presented to the Graduate Dean for final approval.

International Students

In order to enroll in Summer Courses, International students who have never attended TU must either have been admitted for the Fall 2012 semester or show evidence of good standing at a recognized college or university by submission of an official transcript to the Office of International Students, Westby Hall. Graduate students see “Graduate Admission and Registration” above.

As a University of Tulsa student, it is your responsibility to ensure that all educational expenses are paid during the semester in which they are incurred. If financial aid does not cover all of your expenses, you may either pay the balance in full or participate in the University of Tulsa’s Monthly Payment Plan. Please contact The University of Tulsa’s Business Office (918/631-2600) to obtain information regarding the monthly payment plan or visit the Business Office link on the TU website. A nominal fee will be assessed to establish a monthly payment plan.

Payment of current semester charges or payment arrangements must be made by 5:00 p.m. on the first day of classes. Payment arrangements may include the monthly payment plan, pending financial aid, or a combination. Payments not made when due will be subject to a finance charge of 1 1/2% per month.

Currently enrolled students with an unpaid balance may be eligible to enroll in a subsequent semester provided that:
- The student balance is not in excess of $5000.
- The student balance includes current semester charges only.

The student has established a university approved payment plan, at least one payment of that plan has been processed, and the terms of the payment plan allow for payment in full of the current unpaid balance by the start of the semester in which the student wishes to be enrolled.

A failed payment plan will result in cancellation of enrollment.

If the account remains unpaid, the University reserves the right to suspend or withdraw you from classes; withhold grades, transcripts, and diplomas; deny you future enrollments; and require you to move from student housing.

The University accepts charges on valid VISA, MasterCard, American Express and Discover credit cards.

**Refunds:** If a student withdraws from his/her courses at the university, he/she may receive reduction of tuition based upon the following schedule. The reduction shall be calculated from the date on which application for withdrawal is received in the Business Office. The university shall follow federally mandated refund schedules as they apply. **Non-attendance of classes does not constitute an official withdrawal or drop.**

University Policies

Voluntary Withdrawals:

A degree-seeking student desiring to withdraw must discuss the matter with their advisor. The request for withdrawal must be approved by the college dean. Non-degree seeking students are strongly encouraged to meet with an advisor before withdrawing.

Medical/Psychological Withdrawals:

Students who withdraw for medical or psychological reasons should submit a written request to the Director of the Center for Student Academic Support (CSAS). A request for a medical or psychological withdrawal must be supported by a letter from the attending physician or mental health practitioner. Readmission to the University is contingent upon receipt of a letter from the attending physician or mental health practitioner indicating the student is able to attend classes. Withdrawals for psychological reasons must include a 90-day absence from the University. Requests for Medical/Psychological Withdrawals must be submitted to the Director of the Center for Student Academic Support (CSAS). Supporting documentation for the student’s return to the University must be received by the Director of the Center for Student Academic Support (CSAS) at least 30 days before readmission.

Non-Voluntary Withdrawals:

Students who are required to withdraw during a given term will have the notation Involuntary Withdrawal (date) entered on their permanent academic record following the semester in which the action occurred.

Grades of students withdrawing with official approval will be determined as follows:

Students who withdraw from the University due to documented extenuating circumstances before the end of the course adjustment (drop/add) period will not receive a grade. Students who withdraw from the University after the end of the course adjustment (drop/add) period without documented extenuating circumstances will receive a grade of “W”.

Students who are required to withdraw during a given term will have the notation Involuntary Withdrawal (date) entered on their permanent academic record following the semester in which the action occurred.

Undergraduate Incomplete (I) Grades:

Students who are doing passing work but who, because of serious illness or other legitimate extenuating circumstances, cannot complete their course work may, at the discretion of the instructor, receive a grade of I (incomplete). Incompletes will not be granted, without an exceptionally good reason, to students who have been absent excessively during the term nor to students who have merely failed to complete course work.

When the instructor grants an incomplete, a “Record of Incomplete” form must be filed in the office of the undergraduate dean. This form, which is to be signed by the instructor and, should specify what must be done to remove the incomplete and give a deadline for the completion of unfinished work. The contract will be attached to the course grade report for inclusion in the student’s official file in the Office of Registration and Records. The incomplete grade will remain on the student record for no more than one year. After that time, unless the course work is completed and the instructor changes it to an alternate grade, the Office of Registration and Records will change the Incomplete to an F.

Students with more than 9 credits of I will not be permitted to enroll in courses at the university without the permission of the Office of the Dean.

Dismissal:

Students who remain on probation for two consecutive semesters are subject to dismissal from the university. Those who fail more than 50 percent of their grade point hours or earn a GPA of 1.0 or less for any academic year are subject to dismissal even if they have not previously been on probation. Students who are subject to dismissal are not considered to be making satisfactory progress toward their degree.

Pass/Fail Policy

Some courses may be taken on a pass/fail basis in which grades of A, B, and C are recorded as pass (P), grades of D are recorded as D and grades lower than D are recorded as Fail (F).

For limitations on courses that may be taken Pass/Fail, consult your advising office. Your intention to take a course on Pass/Fail basis can be made to the Academic Advisors any time up to the end of the deadline for dropping a course (see Deadline Schedule).

Identification Cards

Identification cards, obtained from Twin Towers are required for all students and University employees. These cards must be carried at all times when on campus and presented to University officials upon requests. They are required for admission to the University libraries and residence halls, for access to many campus activities, and for check cashing identification at the business office.

Parking Permits

All students, staff, and faculty members must register motor vehicles that are to be parked on university parking lots. Parking permits and copies of parking regulations should be obtained from the ID and Parking Office located in Twin Towers.

Family Educational Rights and Privacy Act

Annually, The University of Tulsa informs students of the Family Educational Rights and Privacy Act of 1974, as amended. This Act, with which the institution intends to comply fully, was designated to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FER-PA) concerning alleged failure by the institution to comply with the Act.

Copies of the law as recorded in the Federal Register may be reviewed in the Student Affairs Office, along with the statements and policies which govern The University of Tulsa’s compliance with the provisions of the Act.

Nondiscrimination

The University of Tulsa employs, advances, admits and treats in its employment and educational programs, all persons without regard to the race, color, national origin, gender, age, religion, handicap, or status as a veteran.
Federal regulations require that all recipients of student financial assistance make satisfactory academic progress toward a degree or eligible certificate. Students applying for assistance through the Federal Pell Grant, Federal SEOG, Federal Work Study, TEACH Grant, Oklahoma Tuition Aid Grant (OTAG), Federal Perkins Loan, Direct Subsidized Stafford Loan, Direct Unsubsidized Stafford Loan, Direct Parent PLUS Loan and Direct Graduate PLUS Loan programs must meet **THREE requirements** to maintain their financial aid eligibility at The University of Tulsa.

1. **QUALITATIVE**: First, students are required to maintain a minimum cumulative grade point average.
2. **QUANTITATIVE (PACE)**: Second, students are required to complete (pass) a minimum 67% of hours they attempt.
3. **MAXIMUM TIME FRAME**: Third, students must complete their degree within a timely manner.

These three requirements are summarized in the following charts. Failure to meet ALL of these minimum academic standards will result in the loss of federal financial aid eligibility. Students are expected to know, based on this Satisfactory Academic Progress Policy, when they may be placed on *Financial Aid Warning*, *Financial Aid Suspension* or *Financial Aid Probation*. Satisfactory academic progress is reviewed at the end of each semester once grades have been posted to the academic transcript.

1. **Qualitative-Grade Point Average Requirement** - Each student must meet a required minimum cumulative grade point average to remain eligible for federal student aid.

2. **Quantitative (PACE) - Satisfactory Completion of Semester Hours Requirement** - Students must also successfully complete and pass 67% of all courses they attempt. Grades of A, B, C, D, F, P, I, MG and W are all considered attempted hours. All transfer and repeat hours are included in this calculation. Please refer to the Financial Aid Satisfactory Academic Progress Standards charts for Undergraduate Students, Graduate Students, Law Students and PhD Students.

3. **Maximum Time Frame for Degree Completion** - Students must complete their degree program within an allotted time frame to remain eligible for financial aid. The chart below indicates the time frame in which a degree must be acquired. Be aware that hour limits are cumulative; therefore, all accepted hours from all institutions attended will be included, even if a student did not receive federal student aid. The Student Financial Services Office recommends that students contact their academic advisor to ensure they are taking the courses necessary to complete their degree. For financial aid purposes grades of A, B, C, D, F, P, I, MG and W are all considered attempted hours. All transfer and repeat hours are included in this calculation. Once students reach their maximum time frame (150% of the published length of the program) for their specified degree, they are no longer eligible for federal student aid. If there are extenuating circumstances that prevented acceptable progress, students may request an extension of eligibility by submitting a petition to the Student Financial Services Office. All petitions for federal financial aid reinstatement should be received no later than the first day of class in the semester the suspension takes effect.

**Repeated Coursework**

Students may receive federal financial aid consideration to repeat a previously passed course once. Students may repeat failed courses until they have attained a passing grade. An "Incomplete" grade (I) that remains on the academic record at the time satisfactory academic progress is reviewed will be treated as not completed but the attempted hours will be counted. Upon completion of the Incomplete (I) course, the grade and course will be given due credit in future consideration.
