Instructions for Making Application for Undergraduate Admission to the University

I. Application for Admission: An application form (available online at apply.utulsa.edu or through the Common Application at commonapp.org) and all required documents should be submitted no later than August 1 for fall enrollment. A one-time, non-refundable application fee of $50.00 (submit a check or money order payable to The University of Tulsa or credit card payment here) must accompany the application.

II. Transcripts:
A. Entering freshmen must request official high school transcripts mailed or transmitted electronically to the Office of Admission by the high school.
B. Transfer students must request official college transcripts from each college attended. If fewer than 48 hours have been completed at the time of application, an official high school transcript is also required. Transcripts must be mailed from the institution issuing the transcript directly to the Office of Admission and are not considered official if hand delivered by the student.
C. Students who have earned a G.E.D. must provide an official G.E.D. score report, as well as an official transcript of any completed high school work.

III. ACT or SAT: All freshmen and all transfer applicants who have fewer than 30 semester hours must submit official results of the ACT or SAT. Applicants who are 25 years of age or over are exempt from providing the ACT, but may be asked to do alternate testing, such as placement exams.

IV. Counselor Recommendation: Freshman applicants who have graduated from high school within the past year are required to submit a written recommendation from their high school counselor. Home schooled students must submit an additional recommendation from a non-family member who is familiar with their academic potential and character.

V. PRA (Green Card) Verification: Permanent Resident Aliens (PRA.) should provide a signed and dated copy of the front and back of their green card with a signed PRA verification form available from the Office of Admission or from the website. Concurrent Enrollment for High School Students

Auditors who have completed all other requirements for a course may elect to take the course for credit at any time within the first three weeks of a regular term if the course instructor and the college dean give their permission.

Students originally enrolled in a course for credit may elect to change their status to that of auditor at any time within the first three weeks of a regular term if they are passing the course at the time the change in status is requested and if they secure the consent of the course instructor. Students must complete an add/drop form and secure permission from the collegiate dean in order to make such a change.

Students who enroll in a course for audit but fail to attend the course may be withdrawn at the request of the instructor and the approval of the academic dean. The University’s normal refund policy will apply.

Pass/Fail Policy

Some courses may be taken on a pass/fail basis in which grades of A, B, and C are recorded as pass (P), grades of D are recorded as D and grades lower than D are recorded as Fail (F).

For limitations on courses that may be taken Pass/Fail, consult your advising office. Your intention to take a course on Pass/Fail basis can be made to the Academic Advisor any time up to the end of the third week of the term.

University Policies

Undergraduate Incomplete (I) Grades:

Students who are doing passing work but who, because of serious illness or other legitimate extenuating circumstances, cannot complete their course work may, at the discretion of the instructor, receive a grade of I (incomplete). Incompletes will not be granted, without an exceptionally good reason, to students who have been absent excessively during the term nor to students who have merely failed to complete course work.

When the instructor grants an incomplete, a "Record of Incomplete" form must be filed in the office of the undergraduate dean. This form, which is to be signed by the instructor should specify what must be done to remove the incomplete and give a deadline for the completion of unfinished work. The contract will be attached to the course grade report for inclusion in the student’s official file in the Office of Registration and Records. The incomplete grade will remain on the student record for no more than one year or an earlier date as designated by the instructor. After that time, unless the course work is completed and the instructor changes it to an alternate grade, The Office of Registration and Records will change the Incomplete to an F. Students with more than 9 credits of I will not be permitted to enroll in courses at the university without the permission of the Office of the Dean.

Dismissal:

Students who remain on probation for two consecutive semesters are subject to dismissal from the university. Those who fail more than 50 percent of their grade point hours or earn a GPA of 1.0 or less for any academic year are subject to dismissal even if they have not previously been on probation.

Voluntary Withdrawals:

A degree-seeking student desiring to withdraw must discuss the matter with their advisor. The request for withdrawal must be approved by the college dean. Non-degree seeking students are strongly encouraged to meet with an advisor before withdrawing.

Medical/Psychological Withdrawals:

Students wishing to withdraw or take a leave of absence from the University based on a medical or psychological reason should contact the Center for Student Academic Support in 210 Lorton to discuss their reasons for seeking a withdrawal or a leave of absence, the medical documentation required, their plans while on leave, and to work out any conditions that may be necessary for an easier transition back to The University of Tulsa. Graduates students should also contact the Graduate School to discuss any assistantships, scholarships and/or fellowships provided by the Graduate School and to discuss the impact of the Leave of Absence on their academic plans. It should be noted that a student may voluntarily withdraw for any reason (medical or otherwise) before the 12th week of classes through the normal withdrawal process. The complete policies are available at the Center for Student Academic Support or online through the Portal: http://portal.utulsa.edu.
Non-Voluntary Withdrawals:
Students may be required to withdraw from the University for habitual delinquency in (absence from) class, habitual idleness or any other behavior which prevents the student from fulfilling the purposes implied by registration in the University. Grades of "W" will be entered for each of the courses in which the student was registered. Students who have been required to withdraw must apply for readmission to their dean in the same manner as a dismissed student.

Grades of students withdrawing with official approval will be determined as follows:
Students who withdraw from the University due to documented extenuating circumstances before the end of the course adjustment (drop/add) period will not receive a grade. Students who withdraw from the University after the end of the course adjustment (drop/add) period but prior to the end of the withdrawal period without documented extenuating circumstances will receive a grade of "W".

Students who are required to withdraw during a given term will have the notation Involuntary Withdrawal (date) entered on their permanent academic record following the semester in which the action occurred.

Satisfactory Academic Progress-SAP

Federal regulations require that all recipients of student financial assistance make satisfactory academic progress toward a degree or eligible certificate. Students applying for assistance through the Federal Pell Grant, Federal SEOG, Federal Work Study, TEACH Grant, Oklahoma Tuition Aid Grant (OTAG), Oklahoma Tuition Equalization Grant (OTEG), Oklahoma's Promise (OHLAP), Federal Perkins Loan, Direct Subsidized Stafford Loan, Direct Unsubsidized Stafford Loan, Direct Parent PLUS Loan and Direct Graduate PLUS Loan programs must meet THREE requirements to maintain their financial aid eligibility at The University of Tulsa.

1. QUALITATIVE: Students are required to maintain a minimum cumulative grade point average.
2. QUANTITATIVE (PACE): Students are required to complete (pass) a minimum 67% of hours they attempt.
3. MAXIMUM TIME FRAME: Students must complete their degree within a timely manner.

(see table below)

These three requirements are summarized in the following charts. Failure to meet ALL of these minimum academic standards will result in the loss of federal financial aid eligibility. Students are expected to know, based on this Satisfactory Academic Progress Policy, when they may be placed on *Financial Aid Warning, Financial Aid Suspension or Financial Aid Probation. Satisfactory academic progress is reviewed at the end of each semester once grades have been posted to the academic transcript.

1. Qualitative-Grade Point Average Requirement - Each student must meet a required minimum cumulative grade point average to remain eligible for federal student aid.

2. Quantitative (PACE) - Satisfactory Completion of Semester Hours Requirement - Students must also successfully complete and pass 67% of all courses they attempt. Grades of A, B, C, D, F, P, I, MG and W are all considered attempted hours. All transfer and repeat hours are included in this calculation. Please refer to the Financial Aid Satisfactory Academic Progress Standards charts for Undergraduate Students, Graduate Students, Law Students and PhD Students.

Quantitative (PACE) = \frac{\text{Total number of credit hours successfully completed}}{\text{Total number of credit hours attempted}}

3. **Maximum Time Frame for Degree Completion** - Students must complete their degree program within an allotted time frame to remain eligible for financial aid. The chart below indicates the time frame in which a degree must be acquired. Be aware that hour limits are cumulative; therefore, all accepted hours from all institutions attended will be included, even if a student did not receive federal student aid. The Student Financial Services Office recommends that students contact their academic advisor to ensure they are taking the courses necessary to complete their degree. For financial aid purposes grades of A, B, C, D, F, P, I, MG and W are all considered attempted hours. All transfer and repeat hours are included in this calculation. Once students reach their maximum time frame (150% of the published length of the program) for their specified degree, they are no longer eligible for federal student aid and are placed on Financial Aid Suspension. If there are extenuating circumstances that prevented acceptable progress, students may request an extension of eligibility by submitting a petition to the Student Financial Services Office. All petitions for federal financial aid reinstatement should be received no later than the first day of class in the semester the suspension takes effect.

**Repeated Coursework**

Students may receive federal financial aid consideration to repeat a previously passed course once. Students may repeat failed courses until they have attained a passing grade. An "Incomplete" grade (I) that remains on the academic record at the time satisfactory academic progress is reviewed will be treated as not completed but the attempted hours will be counted. Upon completion of the Incomplete (I) course, the grade and course will be given due credit in future consideration.
