Policy for Auditing Courses

Students who elect to audit a course will have all the responsibilities and privileges of students taking the course for credit, except those of taking the final exam or receiving credit for the course.

Auditors who have completed all other requirements for a course may elect to take the course for credit at any time within the first three weeks of a regular term if the course instructor and the college dean give their permission.

Students originally enrolled in a course for credit may elect to change their status to that of auditor at any time within the first three weeks of a regular term if they are passing the course at the time the change in status is requested and if they secure the consent of the course instructor. Students must complete an add/drop form and secure permission from the collegiate dean in order to make such a change.

Students who enroll in a course for audit but fail to attend the course may be withdrawn at the request of the instructor and the approval of the academic dean. The University's normal refund policy will apply.

Pass/Fail Policy

Some courses may be taken on a pass/fail basis in which grades of A, B, and C are recorded as pass (P), grades of D are recorded as D and grades lower than D are recorded as Fail (F).

For limitations on courses that may be taken Pass/Fail, consult your advising office. Your intention to take a course on Pass/Fail basis can be made to the Academic Advisor any time up to the end of the third week of the term.

University Policies

Undergraduate Incomplete (I) Grades:

Students who are doing passing work but who, because of serious illness or other legitimate extenuating circumstances, cannot complete their course work may, at the discretion of the instructor, receive a grade of I (incomplete). Incompletes will not be granted, without an exceptionally good reason, to students who have been absent excessively during the term nor to students who have merely failed to complete course work.

When the instructor grants an incomplete, a "Record of Incomplete" form must be filed in the office of the undergraduate dean. This form, which is to be signed by the instructor should specify what must be done to remove the incomplete and give a deadline for the completion of unfinished work. **The contract will be attached to the course grade report for inclusion in the student's official file in the Office of Registration and Records.** The incomplete grade will remain on the student record for no more than one year or an earlier date as designated by the instructor. After that time, unless the course work is completed and the instructor changes it to an alternate grade, **The Office of Registration and Records will change the Incomplete to an F. Students with more than 9 credits of I will not be permitted to enroll in courses at the university without the permission of the Office of the Dean.**

Dismissal:

Students who remain on probation for two consecutive semesters are subject to dismissal from the university. Those who fail more than 50 percent of their **grade point hours or earn a GPA of 1.0 or less** for any academic year are subject to dismissal even if they have not previously been on probation.

Voluntary Withdrawals:

A degree-seeking student desiring to withdraw must discuss the matter with their advisor. The request for withdrawal must be approved by the **college** dean. Non-degree seeking students are strongly encouraged to meet with an advisor before withdrawing.

Medical/Psychological Withdrawals:

Students wishing to withdraw or take a leave of absence from the University based on a medical or psychological reason should contact the Center for Student Academic Support in Zink Hall, room 249 to discuss their reasons for seeking a withdrawal or a leave of absence, the medical documentation required, their plans while on leave, and to work out any conditions that may be necessary for an easier transition back to The University of Tulsa. Graduate students should also contact the Graduate School to discuss any assistantships, scholarships and/or fellowships provided by the Graduate School and to discuss the impact of the Leave of Absence on their academic plans. It should be noted that a student may voluntarily withdraw for any reason (medical or otherwise) before the 12th week of classes through the normal withdrawal process. The complete policies are available at the Center for Student Academic Support or online through the Portal: <http://portal.utulsa.edu>.

Non-Voluntary Withdrawals:

Students may be **required** to withdraw from the University for habitual delinquency in (absence from) class, habitual idleness or any other behavior which prevents the student from fulfilling the purposes implied by registration in the University. Grades of "W" will be entered for each of the courses in which the student was registered. Students who have been required to withdraw must apply for readmission to their dean in the same manner as a dismissed student.

Grades of students withdrawing with official approval will be determined as follows:

Students who withdraw from the University due to documented extenuating circumstances before the end of the course adjustment (drop/add) period will not receive a grade. Students who withdraw from the University after the end of the course adjustment (drop/add) period but prior to the end of the withdrawal period without documented extenuating circumstances will receive a grade of "W".

Students who are required to withdraw during a given term will have the notation *Involuntary Withdrawal (date)* entered on their permanent academic record following the semester in which the action occurred.

Tuition Payment Policy

As a University of Tulsa student, it is your responsibility to ensure that all educational expenses are paid during the semester in which they are incurred. If financial aid does not cover all of your expenses, you may either pay the balance in full or participate in The University of Tulsa's [Monthly Payment Plan](#).

Please contact The University of Tulsa's Bursar's Office at 918-631-2600 to obtain information regarding the monthly payment plan or visit the Bursar's Office link on the TU website. A nominal fee will be assessed to establish a monthly payment plan. The University of Tulsa provides e-statements on a monthly basis on all accounts with an unpaid balance regardless of pending aid, payment plans, or financial support other off campus sources.

You will receive an email at your utulsa.edu email address advising you that a statement is available for review in the [TU Portal](#), click View and Pay my Account. It is your responsibility to ensure that your financial obligations to TU are resolved in a timely manner.

For students enrolled between July 15th and the Friday prior to the first day of the semester, a minimum payment of 20% of the total charges, not including financial aid, must be paid by the Friday prior to the first day of the semester. For students enrolled on the first day of the semester, 20% of the total charges, not including financial aid, must be paid prior to enrollment.**

A payment plan must be established for any remaining balance in each instance when the minimum payment is made.

Non-payment per the terms above will result in cancellation of enrollment.

Returning Students - Payment of current semester charges or payment arrangements must be made by 5:00 p.m. on the Friday before the first day of classes. Payment arrangements may include the monthly payment plan, pending financial aid, or a combination. Payments not made when due will be subject to a finance charge of 1.5% per month. 1. The student balance includes current semester charges only; AND
2. The student has established an university approved payment plan, at least one payment of that plan has been processed, and the terms of the payment plan allow for payment in full of the current unpaid balance by the start of the semester in which the student wishes to be enrolled; AND

A failed payment plan will result in cancellation of enrollment.

*Participation in a payment plan does not guarantee enrollment in future semesters or a release of transcript or diploma. A failed or delinquent payment plan may result in cancellation of enrollment, will result in an enrollment hold for future semesters, and denial of access to transcripts and diplomas. The payment plan would need to be brought current prior to release of enrollment in future semesters and to grant access to transcripts and diplomas.

If the account remains unpaid, the University reserves the right to suspend or withdraw you from classes; withhold grades, transcripts, and diplomas; deny you future enrollments; and require you to move from student housing.

Satisfactory Academic Progress-SAP

Federal regulations require that all recipients of student financial assistance make satisfactory academic progress toward a degree or eligible certificate. Students applying for assistance through the Federal Pell Grant, Federal SEOG, Federal Work Study, TEACH Grant, Oklahoma Tuition Aid Grant (OTAG), Oklahoma Tuition Equalization Grant (OTEG), Oklahoma’s Promise (OHLAP), Federal Perkins Loan, Direct Subsidized Stafford Loan, Direct Unsubsidized Stafford Loan, Direct Parent PLUS Loan and Direct Graduate PLUS Loan programs must meet THREE requirements to maintain their financial aid eligibility at The University of Tulsa.

1. **QUALITATIVE:** Students are required to maintain a minimum cumulative grade point average.
2. **QUANTITATIVE (PACE):** Students are required to complete (pass) a minimum **67%** of hours they attempt
3. **MAXIMUM TIME FRAME:** Students must complete their degree within a timely manner.

(see table below)

These three requirements are summarized in the following charts. Failure to meet ALL of these minimum academic standards will result in the loss of federal financial aid eligibility. Students are expected to know, based on this Satisfactory Academic Progress Policy, when they may be placed on ***Financial Aid Warning, Financial Aid Suspension or Financial Aid Probation**. Satisfactory academic progress is reviewed at the end of each semester once grades have been posted to the academic transcript.

1. **Qualitative-Grade Point Average Requirement** - Each student must meet a required minimum cumulative grade point average to remain eligible for federal student aid.

Satisfactory Academic Progress Policy Requirements	Undergraduate Hours	Graduate Students	Law Students
Total Hours Attempted from all Institutions	All Hours	All Hours	All Hours
Minimum Cumulative GPA Requirements	2.00 GPA	3.00 GPA	2.00 GPA

2. **Quantitative (PACE) - Satisfactory Completion of Semester Hours Requirement** - Students must also successfully complete and pass 67% of all courses they attempt. Grades of A, B, C, D, F, P, I, MG and W are all considered attempted hours. All transfer and repeat hours are included in this calculation. Please refer to the Financial Aid Satisfactory Academic Progress Standards charts for [Undergraduate Students](#), [Graduate Students](#), [Law Students](#) and [PhD Students](#).

$$\text{Quantitative (PACE)} = \frac{\text{Total Number of credit hours successfully completed}}{\text{Total number of credit hours attempted}}$$

Percentage of cumulative attempted hours a student must complete to remain eligible for Federal Student Aid	Undergraduate Students	Graduate Students	Law Students

Students must successfully complete: 67% of attempted courses 67% of attempted courses 67% of attempted courses

3. **Maximum Time Frame for Degree Completion** - Students must complete their degree program within an allotted time frame to remain eligible for financial aid. The chart below indicates the time frame in which a degree must be acquired. Be aware that hour limits are cumulative; therefore, all accepted hours from all institutions attended will be included, even if a student did not receive federal student aid. The Student Financial Services Office recommends that students contact their academic advisor to ensure they are taking the courses necessary to complete their degree. For financial aid purposes grades of A, B, C, D, F, P, I, MG and W are all considered attempted hours. All transfer and repeat hours are included in this calculation. Once students reach their maximum time frame (150% of the published length of the program) for their specified degree, they are no longer eligible for federal student aid and are placed on Financial Aid Suspension. If there are extenuating circumstances that prevented acceptable progress, students may request an extension of eligibility by submitting a petition to the Student Financial Services Office. All petitions for federal financial aid reinstatement should be received no later than the first day of class in the semester the suspension takes effect.

Attempted Hours Allowed for Earning a Degree - 150% of the published length of the degree program	186 hours	54 hours - First Master's
	First	135 hours - Ph.D.
	Bachelor's	132 hours - Law

Repeated Coursework

Students may receive federal financial aid consideration to repeat a previously passed course once. Students may repeat failed courses until they have attained a passing grade. An "Incomplete" grade (I) that remains on the academic record at the time satisfactory academic progress is reviewed will be treated as not completed but the attempted hours will be counted. Upon completion of the Incomplete (I) course, the grade and course will be given due credit in future consideration.
