Undergraduate Admission Procedure at The University of Tulsa

The University of Tulsa uses an individualized and holistic approach in evaluating candidates for admission. All available information, including academic and personal records, will be considered. The admission policy is designed to seek students who demonstrate intellectual promise, are committed to upholding the Student Code of Conduct and reflect the purposes stated in the Mission of The University of Tulsa.

Instructions for applying for Undergraduate Admission to the University

Application for Admission: An application for admission, available on the website, <http://admission.utulsa.edu/apply/>, should be submitted well ahead of the beginning of the term in which enrollment is sought. The Common Application is also accepted. A one-time, non-refundable application fee of \$50.00 must accompany the application and can be paid at <https://payments.utulsa.edu/undergraduate>.

Transcripts:

- A. Entering freshmen must request official high school transcripts mailed to the Office of Admission by the high school.

- C. Students who have earned a G.E.D. must provide an official G.E.D. score report.

ACT or SAT: Freshmen and all transfer applicants who have fewer than 30 semester hours must submit ACT or SAT results (the writing component is not required). Students who are 25 years of age or older are not required to submit an ACT or SAT score. However, the admission committee reserves the right to request additional testing if deemed necessary to the review process.

Policy for Auditing Courses

Auditors who have completed all other requirements for a course may elect to take the course for credit at any time within the first three weeks of a regular term if the course instructor and the college dean give their permission.

Students originally enrolled in a course for credit may elect to change their status to that of auditor at any time within the first three weeks of a regular term if they are passing the course at the time the change in status is requested and if they secure the consent of the course instructor. Students must complete an add/drop form and secure permission from the collegiate advising offices in order to make such a change. Students who elect to audit a course will have all the responsibilities and privileges of students taking the course for credit except those of taking the final examination or receiving credit for the course.

Pass/Fail Policy

Some courses may be taken on a pass/fail basis in which grades of A, B, and C are recorded as pass (P), grades of D are recorded as D and grades lower than D are recorded as Fail (F).

For limitations on courses that may be taken Pass/Fail, consult your advising office. Your intention to take a course on Pass/Fail basis can be made to the Collegiate Advising Office any time up to the end of the third week of the term.

Policy for Repeating a Course (Undergraduate Students)

An undergraduate student may repeat a course up to two times and will be charged the usual fees for each time. Students are not allowed to repeat a course in which they have an "Incomplete" pending. Additional repeating of a course may be allowed only with written approval from the chair of the student's academic unit and the dean of the student's college of enrollment. When a course is repeated, only the most recent grade earned in the course will be included when calculating the student's cumulative GPA.

Undergraduate Incomplete (I) Grades:

Students who are doing passing work but who, because of serious illness or other legitimate extenuating circumstances, cannot complete their course work may, at the discretion of the instructor, receive a grade of I (incomplete). Incompletes will not be granted, without an exceptionally good reason, to students who have been absent excessively during the term nor to students who have merely failed to complete course work.

When the instructor grants an incomplete, a "Record of Incomplete" form must be filed in the office of the undergraduate dean. This form, which is to be signed by the instructor should specify what must be done to remove the incomplete and give a deadline for the completion of unfinished work. **The contract will be attached to the course grade report for inclusion in the student's official file in the Office of the Registrar.** The incomplete grade can remain on the student record for up to one year. After that time, unless the course work is completed and the instructor changes it to an alternate grade, **the Office of the Registrar will change the grade to F. Students with more than 9 credits of I will not be permitted to enroll in courses at the university without the permission of the Office of the Dean.**

Dismissal:

Students who remain on probation for two consecutive semesters are subject to dismissal from the university. Those who fail more than 50 percent of their **grade point hours or earn a GPA of 1.0 or less** for any academic year are subject to dismissal even if they have not previously been on probation.

Voluntary Withdrawals:

A degree seeking student desiring to withdraw must do so through the collegiate advising office and will be expected to complete a questionnaire identifying their reasons for withdrawal. Mere non-attendance of classes does not constitute a withdrawal. For information concerning refunds of tuition, consult page 4 of this schedule under the heading "Refunds". Non-degree seeking students are strongly encouraged to meet with an advisor before withdrawing.

Medical/Psychological Withdrawals:

Students who withdraw for medical or psychological reasons should submit a written request to the Center for Student Academic Support. A request for a medical or psychological withdrawal must be supported by a letter from the attending physician or mental health practitioner. Readmission to the University is contingent upon receipt of a letter from the attending physician or mental health practitioner indicating the student is able to attend classes. Withdrawals for psychological reasons must include a 90-day absence from the University. Requests for Medical/Psychological Withdrawals must be submitted to the Center for Student Academic Support.

Non-Voluntary Withdrawals:

Students may be **required** to withdraw from the University for habitual delinquency in (absence from) class, habitual idleness or any other behavior which prevents the student from fulfilling the purposes implied by registration in the University. Grades of "W" will be entered for each of the courses in which the student was registered. Students who have been required to withdraw must apply for readmission to their dean in the same manner as a suspended student.

Grades of students withdrawing with official approval will be determined as follows:

Students who withdraw from the University due to documented extenuating circumstances before the end of the course adjustment (drop/add) period will not receive a grade. Students who withdraw from the University after the end of the course adjustment (drop/add) period without documented extenuating circumstances will receive a grade of "W". Students may not withdraw after the end of the 12th week of classes.

Students who are required to withdraw during a given term will have the notation *Involuntary Withdrawal (date)* entered on their permanent academic record following the semester in which the action occurred.

Financial Aid Satisfactory Academic Progress (FASAP)
Effective for Semesters of Enrollment beginning
Summer 2011 and thereafter

Federal regulations require that all recipients of student financial assistance make satisfactory academic progress toward a degree or eligible certificate. Students applying for assistance through the Federal Pell Grant, Federal SEOG, Federal Work Study, TEACH Grant, Oklahoma Tuition Aid Grant (OTAG), **Oklahoma's Promise**, Federal Perkins Loan, Direct Subsidized Stafford Loan, Direct Unsubsidized Stafford Loan, Direct Parent PLUS Loan and Direct Graduate PLUS loan programs must meet **three (3)** requirements to maintain their financial aid eligibility at TU:

- I. QUALITATIVE:** (1), students are required to maintain a required minimum cumulative grade point average.
- II. QUANTITATIVE (Pace):** (2), students are required to complete (pass) a minimum **67%** of hours they attempt.
- III. MAXIMUM TIME FRAME:** (3), students must complete their degree within a timely manner.

These three (3) requirements are summarized in the following charts. Failure to meet ALL of these minimum academic standards will result in the loss of federal financial aid eligibility. Students are expected to know, based on this Financial Aid Satisfactory Academic Progress policy, when they may be placed on ***Financial Aid Warning, Financial Aid Suspension or Financial Aid Probation**. Financial Aid Satisfactory Academic Progress is reviewed at the end of each semester once grades have been posted to the academic transcript.

- I. **Qualitative – Grade Point Average Requirement** – Each student must meet a required minimum cumulative grade point average to remain eligible for federal financial aid.

Financial Aid Satisfactory Academic Progress requirements	Undergraduate Students	Graduate Students	Law Students
Total Hours Attempted from all Institutions	All Hours	All Hours	All Hours
Minimum Cumulative Grade Point Average (GPA) Requirements	2.0 Cumulative GPA	3.0 Cumulative GPA	2.0 Cumulative GPA

- II. **Quantitative (The pace at which a student must progress to complete the program within the maximum timeframe.) – Satisfactory Completion of Semester Hours Requirement** – Students must also successfully complete and pass **67%** of all courses they attempt. Grades of A, B, C, D, F, P, I, W and MG are all considered attempted hours. All **transfer** and **repeat** hours are included in this calculation.

$$\text{Pace} = \frac{\text{Total number of credit hours successfully completed}}{\text{Total number of credit hours attempted}}$$

Percentage of cumulative attempted hours a student must complete to remain eligible for Federal Financial Aid	Undergraduate Students	Graduate Students	Law Students
Students must successfully complete:	67% of attempted courses	67% of attempted courses	67% of attempted courses

III. **Maximum Time Frame for Degree Completion** – Students must complete their degree program within an allotted timeframe to remain eligible for federal financial aid. The chart below indicates the **timeframe** in which a degree must be acquired. Be aware that hour limits are cumulative; therefore, **all accepted hours from all institutions attended will be included**, even if a student did not receive federal aid. The Office of Student Financial Services recommends that students contact their academic advisor to ensure they are taking the courses necessary to complete their degree. For federal financial aid purposes, grades of A, B, C, D, F, P, I, W and MG are all considered attempted hours. Once students reach their maximum time frame (**150% of the published length of the program**) for their specified degree, they are no longer eligible for federal financial aid. If there are extenuating circumstances that prevented acceptable progress, students may request an extension of eligibility by submitting a petition to the Office of Student Financial Services. All petitions for federal financial aid reinstatement should be received no later than the first day of class in the semester the suspension takes effect.

Attempted Hours Allowed for Earning a Degree	<u>First Bachelor's Degree</u>	<u>First Master's Degree</u>	<u>Ph.D.</u>	<u>Law</u>
150% of the published length of the degree program	<u>186 hours</u>	<u>54 hours</u>	<u>135 hours</u>	<u>132 hours</u>

Students who wish more information concerning these requirements should make an appointment to discuss their situation with a counselor in the Office of Student Financial Services located in Collins Hall.
