Undergraduate Admission Procedure at The University of Tulsa

The University of Tulsa uses an individualized and holistic approach in evaluating candidates for admission. All available information, including academic and personal records, will be considered. The admission policy is designed to seek students who demonstrate intellectual promise, are committed to upholding the Student Code of Conduct and reflect the purposes stated in the Mission of The University of Tulsa.

Instructions for Making Application for Undergraduate Admission to the University

I. Application for Admission: An application form (available online at apply.utulsa.edu or through the Common Application at commonapp.org) and all required documents should be submitted no later than August 1 for fall enrollment. A one-time, non-refundable application fee of $50.00 (submit a check or money order payable to The University of Tulsa or credit card payment here) must accompany the application.

II. Transcripts:

A. Entering freshmen must request official high school transcripts mailed or transmitted electronically to the Office of Admission by the high school.

B. Transfer students must request official college transcripts from each college attended. If fewer than 48 hours have been completed at the time of application, an official high school transcript is also required. Transcripts must be mailed from the institution issuing the transcript directly to the Office of Admission and are not considered official if hand delivered by the student.

C. Students who have earned a G.E.D. must provide an official G.E.D. score report, as well as an official transcript of any completed high school work.

III. ACT or SAT: All freshmen and all transfer applicants who have fewer than 30 semester hours must submit results of the ACT or SAT. Score results listed on official high school transcripts and unofficial score results in the form of a student report are also accepted. Applicants who are 25 years of age or over are exempt from providing the ACT, but may be asked to do alternate testing, such as placement exams.

IV. Counselor Recommendation: Freshman applicants who have graduated from high school within the past year are required to submit a written recommendation from their high school counselor. Home schooled students must submit an additional recommendation from a non-family member who is familiar with their academic potential and character.

V. PRA (Green Card) Verification: Permanent Resident Aliens (PRA) should provide a signed and dated copy of the front and back of their green card.

Concurrent Enrollment for High School Students

Qualified high school students may apply for admission to take a 1000 – 2000 level college course through the Concurrent Enrollment program. Students should have at least a 3.5 high school grade point average and a 25 Composite on the ACT or 1130 combined Critical Reading and Math scores on the SAT to be considered for the Concurrent Enrollment program.

Concurrent students must complete a Concurrent Enrollment application form and request an official transcript mailed from their high school, along with the School Approval form, to the Office of Admission, The University of Tulsa, 800 S. Tucker Dr., Tulsa, OK 74104. (Forms are available from the admission office.) Concurrent applicants are also asked to schedule an individual appointment with an admission counselor by calling 918-631-2307. Acceptance to the program is determined by the admission office based on academic and personal qualifications. Course selections are subject to prerequisites and/or approval from the professor. If prerequisites have been met through AP testing, official test results must be on file with TU’s Office of Registration & Records. Accepted students must reapply each semester to continue concurrent enrollment. Tuition for concurrent enrollment is one half the regular tuition rate.

Policy for Auditing Courses

Students who elect to audit a course will have all the responsibilities and privileges of students taking the course for credit, except those of taking the final exam or receiving credit for the course.

Auditors who have completed all other requirements for a course may elect to take the course for credit at any time within the first three weeks of a regular term if the course instructor and the college dean give their permission.

Students originally enrolled in a course for credit may elect to change their status to that of auditor at any time within the first three weeks of a regular term if they are passing the course at the time the change in status is requested and if they secure the consent of the course instructor. Students must complete an add/drop form and secure permission from the collegiate dean in order to make such a change.

Students who enroll in a course for audit but fail to attend the course may be withdrawn at the request of the instructor and the approval of the academic dean. The University’s normal refund policy will apply.

Pass/Fail Policy

Some courses may be taken on a pass/fail basis in which grades of A, B, and C are recorded as pass (P), grades of D are recorded as D and grades lower than D are recorded as Fail (F).

For limitations on courses that may be taken Pass/Fail, consult your advising office. Your intention to take a course on Pass/Fail basis can be made to the Academic Advisor any time up to the end of the third week of the term.

University Policies

Undergraduate Incomplete (I) Grades:

Students who are doing passing work but who, because of serious illness or other legitimate extenuating circumstances, cannot complete their course work may, at the discretion of the instructor, receive a grade of I (incomplete). Incompletes will not be granted, without an exceptionally good reason, to students who have been absent excessively during the term nor to students who have merely failed to complete course work.

When the instructor grants an incomplete, a “Record of Incomplete” form must be filed in the office of the undergraduate dean. This form, which is to be signed by the instructor should specify what must be done to remove the incomplete and give a deadline for the completion of unfinished work. The contract will be attached to the course grade report for inclusion in the student’s official file in the Office of Registration and Records. The incomplete grade will remain on the student record for no more than one year or an earlier date as designated by the instructor. After that time, unless the course work is completed and the instructor changes it to an alternate grade, The Office of Registration and Records will change the Incomplete to an F.

Students with more than 9 credits of I will not be permitted to enroll in courses at the university without the permission of the Office of the Dean.

Dismissal:

Students who remain on probation for two consecutive semesters are subject to dismissal from the university. Those who fail more than 50 percent of their grade point hours or earn a GPA of 1.0 or less for any academic year are subject to dismissal even if they have not previously been on probation.

Voluntary Withdrawals:

A degree-seeking student desiring to withdraw must discuss the matter with their advisor. The request for withdrawal must be approved by the college dean. Non-degree seeking students are strongly encouraged to meet with an advisor before withdrawing.

Medical/Psychological Withdrawals:

Students wishing to withdraw or take a leave of absence from the University based on a medical or psychological reason should contact the Center for Student Academic Support in Zink Hall, room 249 to discuss their reasons for seeking a withdrawal or a leave of absence, the medical documentation required, their plans while on leave, and to work out any conditions that may be necessary for an easier transition back to The University of Tulsa. Graduate students should also contact the Graduate School to discuss any assistantships, scholarships and/or fellowships provided by the Graduate School and to discuss the impact of the Leave of Absence on their academic plans. It should be noted that a student may voluntarily withdraw for any reason (medical or otherwise) before the 12th week of classes through the normal withdrawal process. The complete policies are available at the Center for Student Academic Support or online through the Portal: http://portal.utulsa.edu.
Non-Voluntary Withdrawals:

Students may be required to withdraw from the University for habitual delinquency in (absence from) class, habitual idleness or any other behavior which prevents the student from fulfilling the purposes implied by registration in the University. Grades of "W" will be entered for each of the courses in which the student was registered. Students who have been required to withdraw must apply for readmission to their dean in the same manner as a dismissed student.

Grades of students withdrawing with official approval will be determined as follows:

Students who withdraw from the University due to documented extenuating circumstances before the end of the course adjustment (drop/add) period will not receive a grade. Students who withdraw from the University after the end of the course adjustment (drop/add) period but prior to the end of the withdrawal period without documented extenuating circumstances will receive a grade of "W".

Students who are required to withdraw during a given term will have the notation Involuntary Withdrawal (date) entered on their permanent academic record following the semester in which the action occurred.

Tuition Payment Policy

As a University of Tulsa student, it is your responsibility to ensure that all educational expenses are paid during the semester in which they are incurred. If financial aid does not cover all of your expenses, you may either pay the balance in full or participate in The University of Tulsa’s Monthly Payment Plan.

Please contact The University of Tulsa’s Bursar’s Office at 918-631-2600 to obtain information regarding the monthly payment plan or visit the Bursar’s Office link on the TU website. A nominal fee will be assessed to establish a monthly payment plan. The University of Tulsa provides e-statements on a monthly basis on all accounts with an unpaid balance regardless of pending aid, payment plans, or financial support other off campus sources.

You will receive an email at your utulsa.edu email address advising you that a statement is available for review in the TU Portal, click View and Pay my Account. It is your responsibility to ensure that your financial obligations to TU are resolved in a timely manner.

Fall billing will begin on
July 1

New students enrolled prior to August 1, 2019:

In order to avoid enrollment cancellation, any balance not covered by financial aid must either be paid in full or establish a payment plan with 20% down payment by August 1.

New students who enroll after August 1, 2019:

In order to avoid enrollment cancellation, any balance not covered by financial aid must either be paid in full or establish a payment plan with 20% down payment due immediately upon enrollment.

Currently enrolled students

Any unpaid balance not covered by financial aid, must either be paid in full or establish a payment plan with 20% down payment. Payment must be received by the Friday prior to the start of the semester.

Currently enrolled students with an unpaid balance will not be allowed to enroll in subsequent semesters. Payments must be current to be in good standing. Payment plans cannot cover multiple semesters.

Non-payment per the terms above or a failed payment plan will result in cancellation of enrollment. A failed payment plan is considered to be two missed payments and or 2 payments that have been returned unpaid.

Payments not made when due will be subject to a finance charge of 1.5% per month.

Currently enrolled students with an unpaid balance will not be eligible to enroll in a subsequent semester unless enrolled in a payment plan and payments are current. The payment plan cannot cover multiple semesters.
A failed payment plan will result in cancellation of enrollment.

A participation in a payment plan does not guarantee enrollment in future semesters or a release of transcript or diploma. A failed or delinquent payment plan may result in cancellation of enrollment, will result in an enrollment hold for future semesters, and denial of access to transcripts and diplomas. The payment plan would need to be brought current prior to release of enrollment in future semesters and to grant access to transcripts and diplomas.

If the account remains unpaid, the University reserves the right to suspend or withdraw you from classes; withhold grades, transcripts, and diplomas; deny you future enrollments; and require you to move from student housing.

The university accepts charges on valid VISA, MasterCard, American Express, and Discover credit cards. A processing fee of 2.85 percent of the amount paid ($3 minimum) will be assessed against online student account payments that are made by credit card and debit card.

Refunds: If a student withdraws from his/her courses at the university, he/she may receive reduction of tuition based upon the following schedule. The reduction shall be calculated from the date on which application for withdrawal is processed. The University shall follow federally mandated refund schedules as they apply. Non-attendance of classes does not constitute an official withdrawal or drop.

Federal regulations require that all recipients of student financial assistance make satisfactory academic progress toward a degree or eligible certificate. Students applying for assistance through the Federal Pell Grant, Federal SEOG, Federal Work Study, TEACH Grant, Oklahoma Tuition Aid Grant (OTAG), Oklahoma Tuition Equalization Grant (OTEG), Oklahoma’s Promise (OHLAP), Federal Perkins Loan, Direct Subsidized Stafford Loan, Direct Unsubsidized Stafford Loan, Direct Parent PLUS Loan and Direct Graduate PLUS Loan programs must meet THREE requirements to maintain their financial aid eligibility at The University of Tulsa.

1. **QUALITATIVE**: Students are required to maintain a minimum cumulative grade point average.
2. **QUANTITATIVE (PACE)**: Students are required to complete (pass) a minimum 67% of hours they attempt.
3. **MAXIMUM TIME FRAME**: Students must complete their degree within a timely manner.

These three requirements are summarized in the following charts. Failure to meet ALL of these minimum academic standards will result in the loss of federal financial aid eligibility. Students are expected to know, based on this Satisfactory Academic Progress Policy, when they may be placed on *Financial Aid Warning, Financial Aid Suspension* or *Financial Aid Probation*. Satisfactory academic progress is reviewed at the end of each semester once grades have been posted to the academic transcript.

1. **Qualitative-Grade Point Average Requirement** - Each student must meet a required minimum cumulative grade point average to remain eligible for federal student aid.

2. **Quantitative (PACE) - Satisfactory Completion of Semester Hours Requirement** - Students must also successfully complete and pass 67% of all courses they attempt. Grades of A, B, C, D, F, P, I, MG and W are all considered attempted hours. All transfer and repeat hours are included in this calculation. Please refer to the Financial Aid Satisfactory Academic Progress Standards charts for Undergraduate Students, Graduate Students, Law Students and PhD Students.

### Maximum Time Frame for Degree Completion

- Students must complete their degree program within an allotted time frame to remain eligible for financial aid. The chart below indicates the time frame in which a degree must be acquired. Be aware that hour limits are cumulative; therefore, all accepted hours from all institutions attended will be included, even if a student did not receive federal student aid. The Student Financial Services Office recommends that students contact their academic advisor to ensure they are taking the courses necessary to complete their degree. For financial aid purposes grades of A, B, C, D, F, P, I, MG and W are all considered attempted hours. All transfer and repeat hours are included in this calculation.

- Once students reach their maximum time frame (150% of the published length of the program) for their specified degree, they are no longer eligible for federal student aid and are placed on Financial Aid Suspension. If there are extenuating circumstances that prevented acceptable progress, students may request an extension of eligibility by submitting a petition to the Student Financial Services Office. All petitions for federal financial aid reinstatement should be received no later than the first day of class in the semester the suspension takes effect.

### Attempted Hours Allowed for Earning a Degree - 150% of the published length of the degree program

- **186 hours** - First Bachelor's Degree
- **54 hours** - First Master's
- **135 hours** – Ph.D.
- **132 hours** - Law

### Repeated Coursework

Students may receive federal financial aid consideration to repeat a previously passed course **once**. Students may repeat failed courses until they have attained a passing grade. An "Incomplete" grade (I) that remains on the academic record at the time satisfactory academic progress is reviewed will be treated as not completed but the attempted hours will be counted. Upon completion of the Incomplete (I) course, the grade and course will be given due credit in future consideration.
