## Summer Term 2022 “Important Enrollment Information”

The most current offerings of courses can be found on the TU web site:

<http://www.utulsa.edu/courses/schedule>

**Any Undergraduate or Law student who wishes to take more than 12 hours or four courses in a single summer term must have the written approval of his or her dean.**

### REGISTRATION FOR SUMMER TERM 2022

Registration for the summer term begins on Monday, March 28, 2022. Students who have a hold (financial or otherwise) will not be able to enroll for summer classes until the hold(s) has been lifted by the respective offices. Holds may be viewed in Self-Service.

#### Undergraduate Registration Procedure at The University of Tulsa

High school graduates, or the equivalent, may seek approval to enroll in summer term courses for which they have the prerequisites, without seeking admission to the university as degree seeking students. Summer students *who are not continuing University of Tulsa students* must submit an application/registration form to the Office of Admission. Transcripts of previous high school or college work are not required, however, success coaches may request a transcript to verify prerequisites.

Enrollment in the summer term does not guarantee admission for the fall or spring semesters. Students who plan to continue their studies or pursue a degree at TU should contact the Office of Admission regarding admission requirements and application procedures. Credits earned in the summer as an undergraduate non-degree seeking student may be applied toward a University of Tulsa degree.

To enroll for summer school classes, follow these steps:

1. Complete the application/registration form for the undergraduate summer session available on the website at <http://www.utulsa.edu/courses/schedule>. [Note: Students who were enrolled at The University of Tulsa for the Spring 2022 term or are admitted for Fall 2022 term should see their success coach to enroll in summer school classes and do not need to submit this form.]

2. Upon entrance approval from the Office of Admission, an success coach will enroll the student in the classes selected on the submitted form and the student will be billed according to the current tuition rate per semester hour.

#### Concurrent Enrollment for High School Students

Qualified high school students may apply for admission to take 1000 – 2000 level college courses through the Concurrent Enrollment program.

Students should have at least a 3.5 high school grade point average to be considered for the Concurrent Enrollment program.

Concurrent students must complete a [Concurrent Enrollment application form](#) and request that their high school submit an official transcript and [School Approval form](#) to the Office of Admission, The University of Tulsa, 800 S. Tucker Dr., Tulsa, OK 74104. Concurrent applicants may also be asked to schedule an individual appointment with the coordinator of concurrent enrollment. Acceptance to the program is determined by the admission office based on academic and personal qualifications. Course selections are subject to prerequisites and/or approval from the professor and the number of hours a student may take is limited. Accepted students must reapply each semester to continue concurrent enrollment. Tuition for concurrent enrollment is one half the regular tuition rate.

#### Graduate Admission and Registration

All graduates are admitted and enrolled through the Office of the Graduate Dean in Lorton Hall. Contact [grad-enrollment@utulsa.edu](mailto:grad-enrollment@utulsa.edu) with any questions on how to add course/s for the summer.

#### International Students

In order to enroll in Summer Courses, International students who have never attended TU must either have been admitted for the Fall 2022 semester or show evidence of good standing at a recognized college or university by submission of an official transcript to the Office Admission. Graduate students see "Graduate Admission and Registration" above.

As a University of Tulsa student, it is your responsibility to ensure that all educational expenses are paid during the semester in which they are incurred. If financial aid does not cover all of your expenses, you may either pay the balance in full or participate in the University of Tulsa's Monthly Payment Plan.

The University of Tulsa provides e-statements on a monthly basis on all accounts with an unpaid balance regardless of pending aid, payment plans, or financial support from other off campus sources. You will receive an email at your utulsa email address advising you that a statement is available for review at <http://portal.utulsa.edu>, click on view and pay my account. It is your responsibility to ensure that your financial obligations to TU are resolved in a timely manner.

Payment of current semester charges or payment arrangements must be made by 5:00 p.m. on the first day of classes. Payment arrangements may include the monthly payment plan, pending financial aid, or a combination. Payment plans may be set up by accessing <https://univoftulsa.sharepoint.com/sites/StudentCommunication> > view and pay my account.

Payments not made when due will be subject to a finance charge of 1 1/2% per month.

Currently enrolled students with an unpaid balance may be eligible to enroll in a subsequent semester provided that:

The student balance includes current semester charges only. AND

The student has established an university approved payment plan, at least one payment of that plan has been processed, and the terms of the payment plan allow for payment in full of the current unpaid balance by the start of the semester in which the student wishes to be enrolled. AND

The student balance is not in excess of \$1000

A failed payment plan will result in cancellation of enrollment.

If the account remains unpaid, the University reserves the right to suspend or withdraw you from classes; withhold grades, transcripts, and diplomas; deny you future enrollments; and require you to move from student housing.

The University accepts charges on valid VISA, MasterCard, American Express and Discover credit cards.

**Refunds:** If a student withdraws from his/her courses at the university, he/she may receive reduction of tuition based upon the following schedule. The reduction shall be calculated from the date on which application for withdrawal is received in the Business Office. The university shall follow federally mandated refund schedules as they apply. **Non-attendance of classes does not constitute an official withdrawal or drop.**

**REFUND SCHEDULE**

1 day.....100%  
 2-4 days..... 80%  
 5-7 days..... 50%  
 8-10 days..... 25%

Financial aid recipients receiving refunds will have their refunds returned to the proper aid accounts as determined by the Student Financial Services Office pursuant to Federal guidelines. The prescribed order of refund distribution is to FFEL programs, Federal Perkins Loan program, Federal Pell Grant Program, and to other Student Financial Aid Programs.

**Deadline Schedule**

The University of Tulsa will follow federally mandated withdrawal policies as they may apply. Regular deadline for dropping courses, declaring Pass/Fail, withdrawing, and declaring audit are scheduled as follows:

Length of Course	Deadline for Dropping a Course or Declaring Pass/Fail or Declaring Audit	Deadline for Withdrawing
5 Weeks .....	5 Days .....	4 Weeks
12 Weeks.....	12 Days .....	10 Weeks

Last day to add a class varies by course. Check with Instructor to obtain approval for adding course after class begins.

**University Policies**

**Voluntary Withdrawals:**

A degree-seeking student desiring to withdraw must discuss the matter with their advisor. The request for withdrawal must be approved by the college dean. Non-degree seeking students are strongly encouraged to meet with an advisor before withdrawing.

**Medical/Psychological/Hardship Withdrawals:**

The University of Tulsa works hard to offer special assistance to any student who faces unforeseeable, catastrophic personal hardship or medical/psychological complications and needs to seek full withdrawal from all classes. Students should contact the Director of Student Access immediately to discuss any assistance available and to receive information regarding support referrals, deadlines, documentation, conditions and other requirements to establish and retain eligibility for this support. This type of assistance will not generally be granted on a retroactive basis, so students should talk with the Director of Student Access as soon as possible for help. In most cases, withdrawal under these policies for psychological reasons will require at least 90 days of time away before attempting to reenroll. Supporting documentation for the student's return to the University must be received by the Accessibility Officer and ADA Coordinator in the Office of Compliance at least 30 days before readmission can be considered. Graduate students should also contact the Graduate School to discuss any assistantships, scholarships and/or

fellowships provided by the Graduate School and to discuss the impact of the Leave of Absence on their academic plans. Students are encouraged to obtain tuition insurance if the student has medical, psychological, or other conditions that might necessitate full withdrawal at some point. The complete policies are available through the Office of Compliance, (918) 631-2000.

#### **Non-Voluntary Withdrawals:**

Students may be **required** to withdraw from the University for habitual delinquency in (absence from) class, habitual idleness or any other behavior which prevents the student from fulfilling the purposes implied by registration in the University. Grades of "W" will be entered for each of the courses in which the student was registered. Students who have been required to withdraw must apply for readmission to their dean in the same manner as a dismissed student.

#### **Grades of students withdrawing with official approval will be determined as follows:**

Students who withdraw from the University due to documented extenuating circumstances before the end of the course adjustment (drop/add) period will not receive a grade. Students who withdraw from the University after the end of the course adjustment (drop/add) period, but prior to the end of the withdrawal period without documented extenuating circumstances will receive a grade of "W".

**Students who are required to withdraw during a given term will have the notation *Involuntary Withdrawal (date)* entered on their permanent academic record following the semester in which the action occurred.**

#### **Undergraduate Incomplete (I) Grades:**

Students who are doing passing work but who, because of serious illness or other legitimate extenuating circumstances, cannot complete their course work may, at the discretion of the instructor, receive a grade of I (incomplete). Incompletes will not be granted, without an exceptionally good reason, to students who have been absent excessively during the term nor to students who have merely failed to complete course work.

When the instructor grants an incomplete, a "Record of Incomplete" form must be filed in the office of the undergraduate dean. This form, which is to be signed by the instructor and, should specify what must be done to remove the incomplete and give a deadline for the completion of unfinished work. **The contract will be attached to the course grade report for inclusion in the student's official file in the Office of the Registrar.** The incomplete grade will remain on the student record for no more than one year. After that time, unless the course work is completed, and the instructor changes it to an alternate grade, **the Office of the Registrar will change the Incomplete to an F. Students with more than 9 credits of I will not be permitted to enroll in courses at the university without the permission of the Office of the Dean.**

#### **Dismissal:**

Students who remain on probation for two consecutive semesters are subject to dismissal from the university. Those who fail more than 50 percent of their **grade point hours or earn a GPA of 1.0 or less** for any academic year are subject to dismissal even if they have not previously been on probation. Students who are subject to dismissal are not considered to be making satisfactory progress toward their degree.

#### **Pass/Fail Policy**

Some courses may be taken on a pass/fail basis in which grades of A, B, and C are recorded as pass (P), grades of D are recorded as D and grades lower than D are recorded as Fail (F).

For limitations on courses that may be taken Pass/Fail, consult your advising office. Your intention to take a course on Pass/Fail basis can be made to the Success Coaches any time up to the end of the deadline for dropping a course (see Deadline Schedule).

#### **Identification Cards**

Identification cards, obtained from Fisher Hall are required for all students and University employees. These cards must be carried at all times when on campus and presented to University officials upon requests. They are required for admission to the University libraries and residence halls, for access to many campus activities, and for check cashing identification at the business office.

#### **Parking Permits**

All students, staff, and faculty members must register motor vehicles that are to be parked on university parking lots. Parking permits and copies of parking regulations should be obtained from the ID and Parking Office located in Fisher Hall.

#### **Family Educational Rights and Privacy Act**

Annually, The University of Tulsa informs students of the Family Educational Rights and Privacy Act of 1974, as amended. This Act, with which the institution intends to comply fully, was designated to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FER-PA) concerning alleged failure by the institution to comply with the Act.

More information regarding FERPA and Student Rights, Freedoms, and Responsibilities can be found here: [FERPA and Student Rights](#)

#### **Nondiscrimination**

The Non-discrimination policy for the University of Tulsa can be found [here](#): Non-discrimination Policy

#### **Cultural Diversity & Gender Studies Requirement**

Students enrolled in the Henry Kendall College of Arts and Sciences must take two courses to fulfill the Human/Cultural/Gender Diversity requirement. Courses that fulfill this requirement can be found here: [Human/Cultural/Gender Diversity](#)

## Satisfactory Academic Progress

Federal regulations require that all recipients of federal student financial assistance make satisfactory academic progress toward a degree or eligible certificate. Students applying for assistance through the Federal Pell Grant, Federal SEOG, Federal Work Study, Teach Grant, Oklahoma Tuition Aid Grant (OTAG), Oklahoma Tuition Equalization Grant (OTEG), Oklahoma's Promise, Direct Subsidized Loan, Direct Unsubsidized Loan, Direct Parent PLUS Loan and Direct Graduate PLUS loan programs must meet THREE requirements to maintain their financial aid eligibility at TU:

1. **Qualitative:** Students must meet a required minimum cumulative grade point average.
2. **Quantitative:** Students are required to complete (pass) a minimum 67% of hours they attempt.
3. **Maximum Time Frame:** Students must complete their degree within a timely manner.

These three requirements are summarized in the following charts. Failure to meet ALL of these minimum academic standards will result in the loss of federal financial aid eligibility. Students are expected to know, based on this Satisfactory Academic Progress Policy, when they may be placed on \*Financial Aid Probation, or Financial Aid Unsatisfactory status. Satisfactory academic progress is reviewed at the end of each semester once grades have been posted to the academic transcript.

1. **Qualitative:** Grade Point Average Requirement – Each student must meet a required minimum cumulative grade point average to remain eligible for federal student aid.

### Satisfactory Academic Progress Policy Undergraduate Students Graduate Students Law Students Requirements

	Undergraduate Students	Graduate Students	Law Students
Total Hours Attempted from all Institutions	All Hours	All Hours	All Hours
Minimum Cumulative GPA Requirements	2.00 GPA	3.00 GPA	2.00 GPA

2. **Quantitative:** Satisfactory Completion of Semester Hours Requirement. Students must also successfully complete and pass 67% of all courses they attempt. Grades of A, B, C, D, F, P, I, W and MG are all considered attempted hours. All transfer and repeat hours are included in this calculation. Courses dropped within the first 3 weeks of the semester will not be included in the calculation. Please refer to the Financial Aid Satisfactory Academic Progress Standard Charts for Undergraduate Students, Graduate Students, PhD Students and Law Students.

### Percentage of cumulative attempted hours a student must complete to remain eligible for federal student aid.

	Undergraduate Students	Graduate Students	Law Students
Students must successfully complete:	67% of attempted hours	67% of attempted hours	67% of attempted hours

3. **Maximum Time Frame for Degree Completion:** Students must complete their degree program within an allotted timeframe to remain eligible for federal financial aid. The chart below indicates the timeframe in which a degree must be acquired. Be aware that hour limits are cumulative; therefore, all accepted hours from all institutions attended will be included, even if a student did not receive federal student aid. The Office of Student Financial Services recommends that students contact their academic advisor to ensure they are taking the courses necessary to complete their degree. For federal financial aid purposes grades of A, B, C, D, F, P, I, W and MG are all considered in the attempted hours. Courses dropped within the first 3 weeks of the semester will not be included in the attempted hours. All transfer and repeat hours are included in this calculation. Once students reach their maximum timeframe (150% of the published length of the program) for their specified degree, they are no longer eligible for federal student aid. If there are extenuating circumstances that prevented acceptable progress, students may request an extension by submitting a petition to the Office of Student Financial Services. All petitions for federal financial aid reinstatement should be received no later than the first day of class in the semester the unsatisfactory status takes effect.

### Attempted Hours Allowed For Undergraduate Students Graduate Students Ph.D. Students Law Students Earning a Degree:

150% of the published length of the degree program	186 hours – 1st Bachelor's	54 hours – Master's	135 hours – Ph.D.	132 hours – Law
--	----------------------------	---------------------	-------------------	-----------------

### Repeated Coursework

Students may receive federal financial aid consideration to repeat a previously passed course once. Students may repeat failed courses until they have attained a passing grade. An "Incomplete" grade (I) that remains on the academic record at the time satisfactory academic progress is reviewed will be treated as not completed, but the attempted hours will be

counted. Upon completion of the Incomplete (I) course, the grade and course will be given due credit in future consideration.

\*Please note: Financial Aid Probation and Financial Aid Unsatisfactory status are separate from Academic Probation and Academic Suspension.

### **Satisfactory Academic Progress (SAP) Evaluation**

Satisfactory Academic Progress is evaluated at the conclusion of each academic semester after grades have been posted. All attempted and transfer hours are counted during this evaluation. Courses dropped within the first 3 weeks of the semester will not be included in the SAP evaluation.

- **Satisfactory**– students that are enrolled in an eligible program, in compliance with satisfactory academic progress and receiving federal aid.
- **Probation**– students are placed on Financial Aid Probation if they do not meet both requirements I and II of the Satisfactory Academic Progress Policy (SAP). During this probation, financial aid eligibility and payment of funds will be continued throughout the Financial Aid Probation. Note: Probation is not given to students regarding maximum time frame, it is the student's responsibility to know how many hours they have attempted and where they stand. Students that have been placed on Financial Aid Probation may be removed from that status and return to Satisfactory status. Standing by meeting the completion rate and/or cumulative grade point average requirements as set forth in the Satisfactory Academic Progress Policy by the end of the Financial Aid Probation term. A student who returns to good standing after the Financial Aid Probation and then does not meet SAP at the end of the next term, can be placed on Financial Aid Probation again. However, a student cannot be placed on a Financial Aid Probation status for consecutive terms.
- **Financial Aid Unsatisfactory Status** – will be required for students who fail to meet either requirements 1 and 2 at the conclusion of their Financial Aid Probation. Students placed on Financial Aid Unsatisfactory status have had consecutive terms of SAP non-compliance. Students cannot receive funds from the federal aid programs listed above while having an unsatisfactory status. The Financial Aid Officer will determine if the Financial Aid Unsatisfactory status can be appealed. Students will be allowed to appeal their first unsatisfactory status and if approved, will be put on Financial Aid Probation.
- **Financial Aid Probation** – is re-assigned to students who were on Financial Aid Unsatisfactory status, appealed and have received an appeal approval. The status of Financial Aid Probation is given for the next period of enrollment to demonstrate satisfactory academic progress. The student will receive an approval letter along with a list of conditions that must be performed for reinstatement of federal financial aid for the upcoming semester. Students can be placed on Financial Aid Probation for one payment period per appeal at The University of Tulsa. The student must comply with the completion and grade point average requirements by the end of the semester. After grades for the semester are posted to the student academic transcript, the Student Financial Services Office will review the academic performance of the student to determine if the satisfactory academic progress requirements are met. If the student meets the SAP requirements at the completion of the semester, federal financial aid is continued for future semesters. If the student cannot mathematically achieve SAP standards in one payment period, an academic plan will be required.
- **Financial Aid Academic Plan** – is the status assigned to students who were on Financial Aid Unsatisfactory status, appealed and have received an appeal approval but cannot achieve SAP standards within one payment period. Students in this category must follow an individually designed Academic Plan developed by the Academic Advisor to ensure achievement of satisfactory academic progress standards over an assigned period of time. Students remain eligible for federal aid as long as the conditions of the Academic Plan are met.

Rules are applied uniformly to all students whether or not aid has been received previously.

### **Financial Aid Appeal Process**

A student with extenuating circumstances may appeal a Financial Aid Unsatisfactory status by submitting a Financial Aid Satisfactory Academic Progress Appeal form to the Office of Student Financial Services within two weeks of the date of the letter of suspension. Appeals must explain in detail why the student failed to meet the minimum academic standards, what extenuating circumstances caused the failure and how the situation has since improved. Examples of extenuating circumstances include, but are not limited to, illness, medical issues with immediate family members or a death in the family. Personal or financial issues with family, friends, or roommates are not considered extenuating circumstances. The Financial Aid Appeals Committee will evaluate all documentation submitted and the student's appeal will be approved or denied. The results of the appeal will be emailed to the student's TU email account within approximately ten working days from the submission date. If the appeal is denied, the student is responsible for paying for their own educational costs until the student improves his/her scholastic record to meet the minimum standards of academic progress. Students who were denied due to maximum time frame are responsible for paying for their own educational costs for the remainder of their degree program.

If the appeal is approved, the student will either be:

1. Placed on **Financial Aid Probation** for one semester only, or
2. Placed on an **Academic Plan** designed for completion rate and/or cumulative grade point average improvements until the standards of the SAP policy are met, not to exceed one year from the date of the Academic Plan.

The student's approval letter will explain all requirements that must be met during his/her probationary period to continue to receive financial aid.

#### **Removal from Financial Aid Unsatisfactory Status Without Appealing**

To re-establish federal financial aid eligibility without completing the appeal process noted above, students must meet all the criteria listed in the Office of Student Financial Services Satisfactory Academic Progress Policy. A student on Financial Aid Unsatisfactory status can re-establish eligibility by meeting the standards of the SAP Policy by achieving a completion rate of 67% and a required minimum cumulative grade point average without federal and/or state financial aid assistance.

#### **Changing Majors**

Students who change majors should contact the Office of Student Financial Services regarding how this will impact your satisfactory academic progress for federal financial aid.

#### **Study Abroad or Consortium Classes**

Any student who has completed a semester with study abroad or has a consortium agreement as a visiting student with another college or university must wait until the study abroad/visiting student grades have been submitted to TU to determine satisfactory academic progress. The student cannot receive federal financial aid for the semester following the study abroad/visiting student semester until the grades are received from the college or university in which the student was enrolled as a study abroad/visiting student and posted to the student's TU academic transcript.

If you are a Presidential Scholar with no federal financial aid, your next semester's funds will not disburse until academic transcripts have been received from the study abroad/visiting student program. All Presidential Scholars must complete at least twelve (12) credit hours per semester with a minimum 3.25 cumulative GPA. After study abroad/visiting student grades are posted to the student's TU academic transcript, eligibility for Presidential Scholar funding will be determined.

#### **Changing from Undergraduate to Master's or from Master's to Doctoral Programs**

If the student is beginning a new degree level, satisfactory academic progress begins in a clear status for the new program.

#### **Students Who Have Been Out of Attendance for Over a Year**

The University of Tulsa reviews satisfactory academic progress each payment period. If the student was not making satisfactory academic progress when last enrolled, provided it was more than a year ago, the student can be placed on Financial Aid Probation for the first payment period.

#### **Part-Time Students**

If the student receives part-time federal financial aid, the required hours completed for satisfactory academic progress will be reduced proportionately.

#### **Transfer Hours**

Transfer hours that are accepted by TU and are applied toward the student's current program, will be included as both attempted and completed hours.

#### **Audit Courses**

Grades of audit (AU) are not counted in the total hours attempted for any semester or as successful completion of the course. Students cannot receive federal financial aid for audit courses.

#### **Independent Courses**

Independent courses may count toward successful completion of hours attempted if they are completed by the last day of the semester. For information about eligibility and payment of federal financial aid for this type of course, please contact the Office of Student Financial Services.

#### **Leave of Absence Policy Regarding Return of Title IV (R2T4)**

If an academic Leave of Absence (LOA) is granted, the student's Title IV funding will be evaluated the same as any student who completely withdraws from The University of Tulsa and the Return to Title IV Funds rules will be followed, as applicable.

**Student Responsibility**

Students are held responsible for reading and understanding the Satisfactory Academic Progress eligibility requirements and knowing their status at the end of each semester. For questions, contact the Office of Student Financial Services at (918) 631-2526.
